Welcome Home

A Superior Place to Live

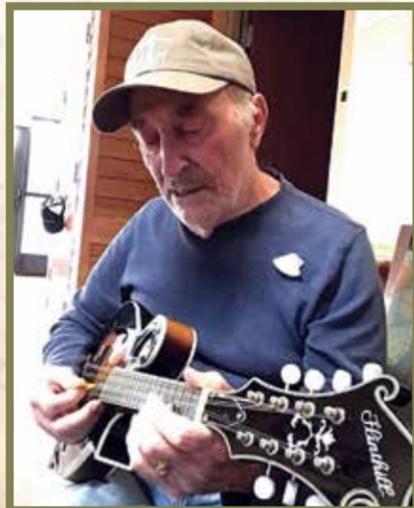

Overlooking beautiful Lake Superior, the Silver Bay Veterans Home has four distinct households for Residents that combine the look and feel of a northwoods lodge with all the comforts of a single-family home. Each household includes a living room, dining room and kitchen, where meals and activities are offered to fit each Resident's individual preference.

Catering to You

Personal choice is a way of life at the Silver Bay Veterans Home. Residents can sleep in or rise early. Whenever a Resident wants to eat, we'll prepare a delicious, nutritious meal for them. Residents will be impressed by the technology available throughout our facility. Everything revolves around our Residents and their daily routine.

Relax and Enjoy – Inside and Out

Our independent households feature a variety of private spaces, including a large game room, four-season porch, outdoor patio and beautiful outdoor gardens open to both Residents and their families. Independent Residents have many opportunities to spend time outdoors: in our gardens, on our pontoon boat and during club car rides. Independent Residents enjoy great community involvement through dining out, parades, local theatre and festivities.

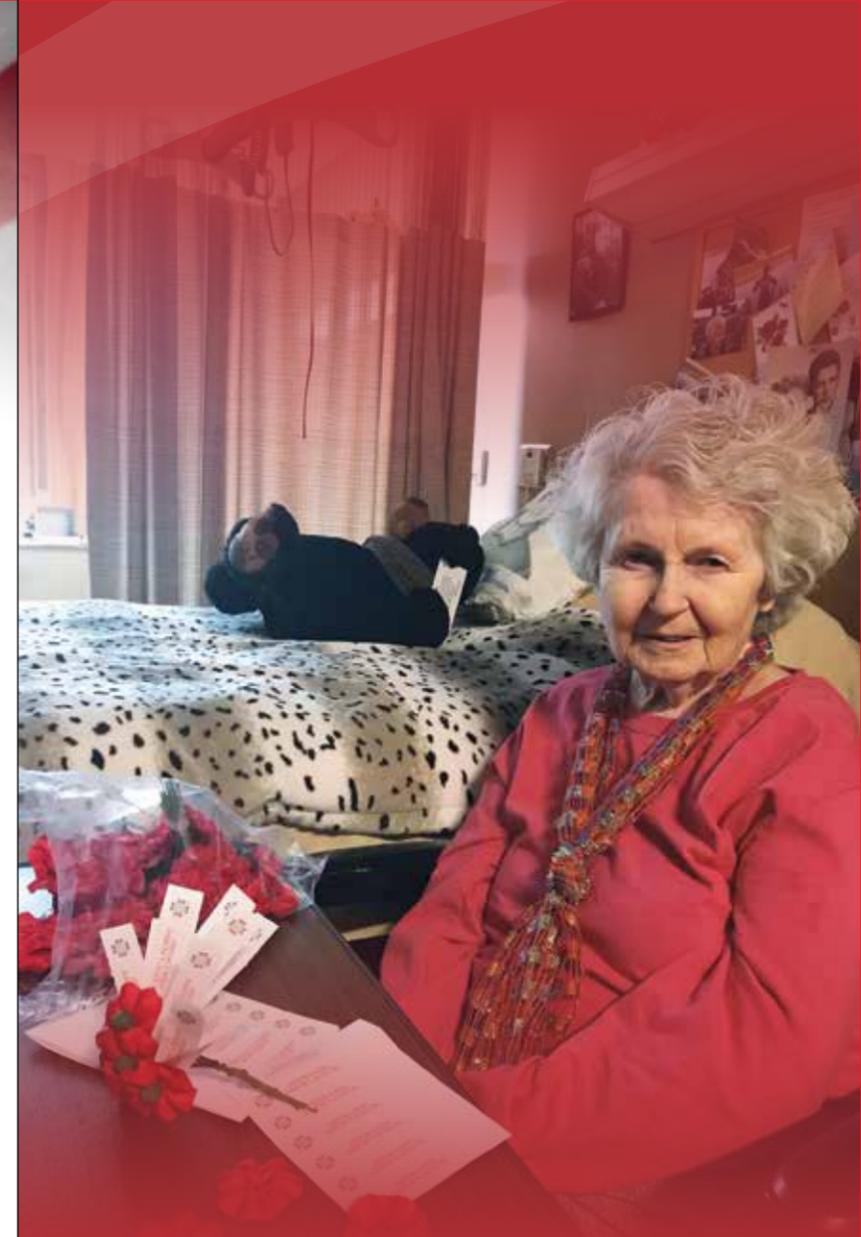

Our Memory Care Households feature a private dining room, family room and an outdoor patio where our Residents gather for dining, activities or to enjoy the sunshine. We pride ourselves on how we care for Residents in Memory Care. Our Life Enrichment and Therapeutic Recreation Coordinators are specially trained in engaging Memory Care Residents to their highest level: mentally, socially and emotionally. They do this through music, games and special events held on the Memory Care household. Volunteers add to the social atmosphere.
